JUNGLE EXURSIONS

Venture beyond the cayes and discover another side of Belize, where lush rainforests, ancient Maya sites, vibrant cultures, and unforgettable wildlife await. Your journey begins with a scenic boat ride to the mainland followed by a comfortable van transfer through Belize's breathtaking countryside. From thrilling adventures to immersive cultural experiences, these full day excursions showcase the incredible diversity that makes Belize one of the most unique destinations in the Caribbean.

Cockscomb Basin, Jungle River Tubing, & Mayan Chocolate Tour

Begin your adventure with an authentic chocolate making experience at a local cacao farm, where you'll learn about the ancient Maya's connection to cacao and participate in the traditional bean to bar process while sampling fresh chocolate along the way. Continue into the breathtaking Cockscomb Basin Wildlife Sanctuary, the world's first jaguar preserve, where a naturalist guide will lead you through lush rainforest trails rich with wildlife and tropical flora. Then, enjoy a relaxing river tubing adventure beneath the jungle canopy. Please note that river tubing may not be available during the dry season due to low water levels. During these times, guests typically visit one of the sanctuary's beautiful waterfalls for a refreshing swim. Complete your day with a traditional Belizean lunch in a nearby Maya village, where you'll experience local flavors and warm hospitality.

ATM Cave (Actun Tunichil Muknal)

ATM Cave is a world-famous archaeological site with Maya artifacts, pottery, and the sparkling skeletal remains of human sacrifices from 700–900 AD. The fully intact skeletons, preserved by time and science, are a jaw-dropping highlight. The adventure is as challenging as it is thrilling. You’ll hike to the cave, wade through waist-deep rivers, climb slippery ladders, and navigate dark, narrow passages inside the mountain. One of Belize’s most physically demanding tours, it’s an unforgettable journey into history. Tour availability depends on cave water levels. Not suitable for young children, those with mobility issues, or claustrophobia.
